Burials in our Catholic Cemeteries.

**Our local St. Patrick's Roman Catholic Cemetery:
County Road 91 Stayner On L0M 1S0
Contact person: Peter 705-428-5783**

It has been a long tradition, where the faithful departed are buried in consecrated grounds. It is a place where many faithful and holy people buried there. It is a place where many prayers are offered to the faithful departed by visiting people, and the parish faithful communities (including Masses, rosaries, prayers, etc). It is a place where it is blessed, and again on a yearly basis, and placed under God's protection. As pastor I recommend that we all take these decisions to heart and pre plan our final resting place as part of our tradition and faith.

Why should Catholics be buried in a Catholic Cemetery?

It is only natural that those who share the same faith in life will wish to carry on that sense of community in death. When it comes to the issue of death, the sensibilities and needs of Catholics are unique and call for certain practices in the handling and care of the remains of the deceased. Therefore, in the blessed grounds of a Catholic cemetery there are safeguards – mandated by the Church's Canon Law – which guarantee permanence, reverence and respect for the remains of the deceased.

Who can be buried in a Catholic Cemetery?

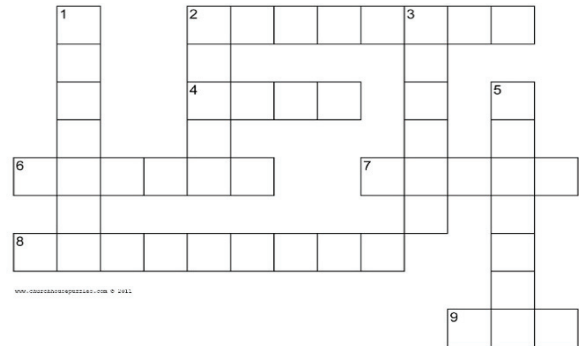

Catholic cemeteries have a long tradition of dedicated

service to the Catholic community including non-Catholics spouses, children, parents and other relatives. Christians with a connection to the Catholic Community may also be buried in the Catholic Cemeteries.
