(Your presence is a witness of faith. It builds up our faith community one person at a time. Thank You.)

Pope's intention for this month of February:

Say "No" to corruption: That those who have material, political or spiritual power may resist the lure of corruption.

1st Sunday of Lent: A Transforming Love

Prayer: Heavenly Father give me the grace to more fully live out the call of my baptism. Christ's baptism in the Jordan River revealed your sanctifying power through the use of ordinary things. I, too, a mere ordinary thing, have now become priest, prophet and king in Christ in service to all of those around me. As your grace in the sacrament continues to transform me from within, help me to respond to that grace in working toward the transformation of the world around me. Amen. *(Taken from the Joy of Lent - Pope Francis.)*

Repentance in the airplane... a lovely story

A company announced.. flight number (ABCD) 707 heading to Paris, please tighten your seat belts and don't smoke. So, I put on the seat belt and wished deeply to enjoy my trip to Paris, the city of art, light and beauty.

We are now at a height of 9 kilometres above sea level and the speed of the plane is 800 km/h and the temperature outside of the plane is negative 50 degrees Celsius and we will arrive to Paris in four hours. I smiled again and started to think about my knowledge about Paris, so there is the Eiffel Tower, and the Louver Museum that is very famous, Victory Arch, and Versailles Palace.

Two hours passed and I am thinking about this amazing trip and the entertainment and suddenly, there was an abnormal movement near the cabin and a loud noise, and I saw signs of fear started to appear on the faces of the flight attendants. In a trembling voice, the flight attendant said: please stay calm and tighten your seat belts, we are now facing a severe storm. I felt my heart racing and started to sweat, because it seemed that it was very dangerous because the plane was shaking from the strength of the storm as if it was made out of papers. During these harsh moments, I remembered my Spiritual life, but it was full of darkness and had nothing in it to intercede on my behalf in front of God, and most of it is between being away from God or failing. I thought that my happiness was in travelling and in outings, and it was like a battle, I wanted to live with God and also live in sin. I love God and like my sins. I come closer to God but never get to leave my sins.

While I was thinking about myself, there were sounds of children crying and people screaming, the situation was a real tragedy. The plane was shaking and wind was hitting it and the sound of the wind was like a call of death for me. Here, I remembered my sins while I was seeing death in front of me. I regretted that I did not end the battle that was within me before. I ended it now but it is too late and I knew what Solomon has said: "Vanity of vanities all is vanity", what did I benefit from my desires?

Now I am waiting for death, so I said: my Lord, the battle within me has ended but is there still time for repentance. I shouted and asked God to give me a chance to repent. Then suddenly, the plane was strongly shaken and seemed as if it was going to fall into the sea and the pilot thought that he has lost control over it and I felt that my soul was taken out of me and everyone was silent because of fear. Moments were frozen and seemed like ages. Afterwards, the plane was smoothly flying and the storm disappeared with the help of God.

When we arrived to Paris, no one knew how did this miracle happen, even the pilot was amazed. My God gave me another chance to prove that I ended the battle between the body and the spirit, between sin and repentance and finally I lived a life of repentance with God. Amen!
