*"Be of the same mind toward one another. Do not set your mind on high things, but associate with the humble. Do not be wise in your own opinion." Romans 12:16*

Did you know that too much irritability and blame sucks the joy out of life and of everything!

I urge you all to compliment each other's good points, and ignore the mistakes and weaknesses, because nice words are like keys that open up the hearts of those around you.

Please, be willing to turn a blind eye once and ignore twice, as not everything worth scrutinizing and analysing, and don't blow things out of proportion. If you find a rock in your way, do not throw it at another, or even behind you, rather place it to the side away from the path if you can, and keep going. When others don't meet your expectations, find excuses for them, they might be going through something difficult that they cannot talk about.

Please smile and forgive, and don't ever give in to thinking badly of someone, and give the devils' arrows that aim to break relationships and create distances. We are going through days where souls pass away without warning. Be amongst those who spread love, plant peace, and overflow with goodness upon those around them. Well done to those who plant a smile, spread love, do good deeds, think good of others, speak words of encouragement, and those that are leaving life having achieved their purposes in the best way possible.

St Augustine said "I sat on top of the world when I realised that I do not desire anything". Life is too short, it is not worth being sad and overly worried!

Live in the joy of the Resurrection. Amen.
