Never permit me to be separated from You. Amen.

Anonymous Donor:

The parish has received a donation from an anonymous source earmarked towards altar furniture for St. Patrick. This will not be a cost to our parish since the money is given already to our parish. The three furniture pieces are Altar Table, Tabernacle Table, and an Ambo (lectern). These are made from solid wood. These are custom made to fit the style of the inner décor of St. Patrick. These new pieces will replace a much older pieces that has been repaired many times in the past. I hope that you will rejoice with me for this donation that will add and make God's house, our spiritual home beautiful. These gifts come in good time, after the interior of St. Patrick has been decorated fully. The wooden pieces are being made locally and this again contributes to the well being of our local communities in these difficult times for any business out there. My gratitude and prayers goes to this donor. Thanks again for all who assisted in making these decisions in regard the style and the acquiring of these pieces.

If you wish to contribute in any way with your opinion, or additions, or improvements, I am happy to hear from you. Fr. Mounir

Pastor's corner:

The current pandemic has raised tensions and isolations as never before as far as we know it in many places in the world. I pray that healing, hope, kindness, faith be abundant with all our people especially those who suffered loss or emotional stress and isolation. I pray for those who are ill and have not had visitors through these past months.

Let us be grateful for what we have and pray for better times. One organization to highlight that has been active in our parish is the St. Vincent De Paul where they kept their door open for those who are in need in our communities in the midst of it all. Other organizations have carried on their virtual communications not excluding open space meetings.

I would like to encourage all ministries and organizations in our parish to renew their effort and to see to it to start meeting again (at least virtually) if they are thinking and planning and are open for gathering again. This choice is yours to make as you discuss it and pray about it among your members.

Many ministries experienced a setback by this pandemic. Please know that the Church and myself are open to discuss and assist if you choose to start meeting again in our church buildings. It goes without saying, we all have to comply with the regulations regarding COVID 19. One regulation is the use of indoor masks, 6 feet distancing, limits on the number of persons within each space. All indoor meetings are required to be done safely and sanitization should occur after each meeting alongside other matters which I am happy to share and assist if you choose to do so.

In particular I want to encourage the CWL and the KOC to communicate as they see fit with their members. Our two strong organizations which we are all grateful for, for the many years of their continual contribution and example. If these groups wish to start meeting in church again, I am happy to assist and facilitate. You have my total support in the decisions you make regarding the choices and charities you choose to work with and help. You can use me to publicize your decisions and announcements within our parish communities.

Whatever decision the leaders make with their members in this difficult time it is yours to make and I will make myself available if you need my assistance. Sincerely Yours. Fr. Mounir

Movie of the Month: Free on YouTube (you may have to sign up with your email to show you are of mature age)

Last Month Movie: "I am David"

David is a young boy, who finds himself a prisoner at Auschwitz camp. He makes a mistake that costs anyone his life. Someone steps in his place. Another prison guard gives David a hail Mary for an escape to search for his biological family. It is a beautiful movie and adventure about courage, hope, and faith. Will David find his parents? Enjoy.

This Month Movie: "Fatima 2020"

This is a new release this year. It is the topic that captivated our past century. It is about 90 Minutes, not enough to capture the essence of the movie. The actors are amazing. The scene from hell is very realistic and captivating. The miracle of the Sun leaves some to the imagination. The scenes are very realistic and were shot in its native land Portugal. Enjoy.
