With thanksgiving fast approaching we are reaching out once again for your support. From January-August 2023 we have already had over 340 visits to our foodbank, allowing us to provide groceries for more that 150 families, 51 of whom have never required the services of our food bank before. With the rising cost of food, and the increased number of visits, our food costs have already surpassed those of 2022. We also continue to provide emergency assistance for the unhoused as well as emergency assistance with rent, utilities, transportation and medical needs. These needs have risen dramatically this year! Your prayers, your food donations and your financial support are greatly appreciated. If you are interested in finding out more about becoming a Vincentian, please call us at **705-428-3396** or speak to any of our members. - As you are aware through the media- the need continues to grow.
