Kindergarten Registration at SMCDSB

Is your child turning 4 in 2024? If so, it’s time to register for kindergarten!

There is something truly unique and special about learning that is rooted in faith and spiritual growth. It is a blessing that the youngest members of our parish have the opportunity to grow in spirit and faith within a Catholic school community. Catholic schools offer distinct faith-filled learning experiences, with a combined focus on academic, spiritual, and social and emotional growth. Together, our Catholic schools and our parish community will guide children in their ongoing growth in faith. We encourage parents who want to register their child for kindergarten to visit the website at smcdsb.on.ca for welcome videos and registration information.

The Rosary Apostolate:

The Rosary apostolate has been faithfully serving our classrooms once a month, to pray the Rosary with our students since 2016. The Rosary Apostolate visits local catholic schools to teach students to pray the Rosary and to share the joy and importance of prayer. We are seeking people who have a great love of the Rosary, visit our local Catholic school 8 days a year. If you are interested, please contact Joseph Farrugia at 705-428-0110 or email Joseph at bormliz@rogers.com. You may also contact Marianne Amodeo at 705-352-0109 or email marianne535@gmail.com. Training, screening and material will be provided.

Family Prayer

God, Our Father, loving and merciful, bring together and keep all families in perfect unity of love and mutual support. Instill in each member the spirit of understanding and affection for each other.
Keep quarrels and bitterness far from them, and for their occasional failures instill forgiveness and peace.
May the mutual love and affection of parents set a good example. Instill in children self-respect that they may respect others and grow in mature independence.
May the mutual affection and respect of families be a sign of Christian life here and hereafter, through Jesus Christ, our Lord and Savior.
Amen
