Society of St. Vincent de Paul – Appreciation and Appeal

We wish to **thank YOU** once again for your generosity over the summer months. As you are aware through the media the needs of our community continue to grow. From January – August 2024 we have already had over 500 visits to our foodbank, allowing us to provide groceries for more than 180 families, 73 of whom have never required the services of our food bank before. Sadly, there are more families with young children requiring food assistance (the number of children we have served this year has risen by 112% over the same time period of last year). Due to the rising cost of food, and the increased number of visits, our food costs have surpassed our expectations. There has been a dramatic increase in the requests for emergency assistance for the unhoused as well as emergency assistance with rent, utilities, transportation and medical needs. Unfortunately, we have not been able to meet all of these needs however we continue to support our neighbours-in-need through our foodbank. Your **prayers**, your **food donations** and your **financial support** are greatly appreciated. If you feel that you might be called to assist in this Ministry and interested in finding out more about becoming a Vincentian.
