August 29: The Passion of Saint John the Baptist, Martyr—Memorial

Quote:

Now Herod had arrested John, bound him, and put him in prison on account of Herodias, the wife of his brother Philip, for John had said to him, "It is not lawful for you to have her." Although he wanted to kill him, he feared the people, for they regarded him as a prophet. But at a birthday celebration for Herod, the daughter of Herodias performed a dance before the guests and delighted Herod so much that he swore to give her whatever she might ask for. Prompted by her mother, she said, "Give me here on a platter the head of John the Baptist." The king was distressed, but because of his oaths and the guests who were present, he ordered that it be given, and he had John beheaded in the prison. His head was brought in on a platter and given to the girl, who took it to her mother. His disciples came and took away the corpse and buried him; and they went and told Jesus. ~Matthew 14:3-12
